

# A Day in Reception at Wheatfields Primary School

The school day begins and everyone is excited!  
We first hang our coats and bags on our own  
peg and self-register...

After self-registering we begin our Busy  
Learning!

We can play in the sand, the water or get  
messy in the Messy Trays or Muddy Kitchen...

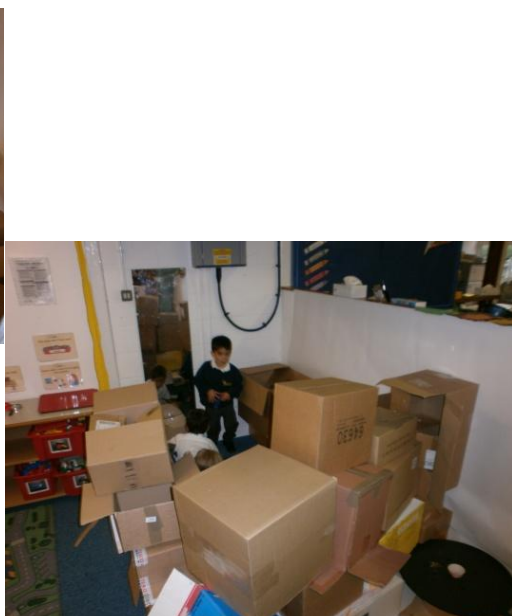

*We love to play outside, paint beautiful pictures, play with small world people and animals or make creations with the playdough*

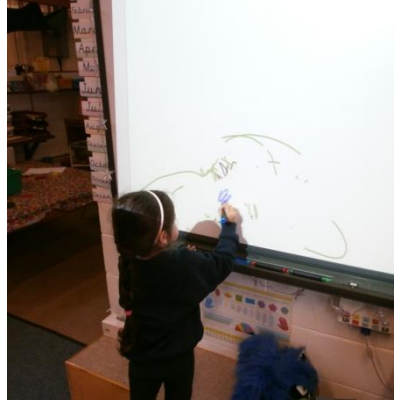

*During Busy Learning time we construct our own roleplay scenarios in our Deconstructed Roleplay and use construction toys to build things like castles, a zoo or a dinosaur world*

We explore ICT by using laptops, B-Bots, cameras, the Interactive Whiteboard and at the listening station in our Book Corner

After our Busy Learning we enjoy Writing and Reading ...

and Maths ...

After all this hard work it is time for a snack in the morning and finally a yummy lunch in the hall

At the end of our busy day we listen to a story...

See you tomorrow!
