

As a writer we will be covering many text types based on two texts: The Day The Crayons Quit and Varmints including:

Writing letters of complaint

Poetry based on abstract nouns for emotion

Writing narrative

As a mathematician we will be...

Consolidating understanding of number, shape, angles, measure, time, fractions and written calculation methods

As a sports person we will be...

Learning dance and athletics

Year 6

Summer 2018

As a computer user we will be...

Understanding technology and programming –algorithms and programming using Scratch

Researching information for our topic and understanding how to use the internet safely

As a historian we will be...

Learning about the Ancient Greeks including philosophy, beliefs and entertainment

We will also be considering and discussing big questions which were relevant to The Greeks and are also relevant now

As a scientist we will be...

Identifying the main parts of the human circulatory system and describing the function of the heart and blood vessels

Learning about the impact of exercise

Describing how living things have evolved and changed over time, adapting to suit their environment

Understanding inheritance and explaining evolution

Continuing to build on our investigative skills

As musicians we will be... developing our rhythm skills through Samba Drumming. We will also be practising our performance skills for our summer musical

Teaching Team: Miss Elliott, Dr Tape, Mrs Buck, Mrs Cutbush, Mr Sanderson and Mrs Verney Davis
