Wheatfields Primary School – Letting Policy

Introduction

The Governing Body regards the school buildings and grounds as a community asset and will make every reasonable effort to enable them to be used as much as possible. However, the overriding aim of the Governing Body is to support the school in providing the best possible education for its pupils, and any lettings of the premises to outside organisations will be considered with this in mind.

The school's delegated budget (which is provided for the education of its pupils) will not be used to subsidise any lettings by community or commercial organisations. A charge will be levied to meet the additional costs incurred by the school in respect of any lettings of the premises. As a minimum, the actual cost to the school of any use of the premises by an outside organisation must be reimbursed to the school's budget.

Revised rates will be set annually by the Resources Committee for implementation in April of each year. Current rates are set out on the attached sheet.

The rates will vary for different types of groups and for different times and may or may not incur additional site team or cleaning time charges.

The classification of any particular hirer is at the discretion of the Premises Manager. In the case of any dispute about the classification then the hirer should appeal to the Resources Committee whose decision will be final.

Definition of a Letting

A letting is defined for the purposes of this Policy as "a non-exclusive licence use of the school premises (buildings and grounds) by either a community group (such as a local music group or football team), or a commercial organisation (such as the local branch of 'Weight Watchers')".

A letting must not interfere with the primary activity of the school, which is to provide a high standard of education for all its pupils.

Use of the premises for activities such as staff meetings, parents' meetings, Governing Body meetings and extra-curricular activities of pupils supervised by school staff, fall within the corporate life of the school. Costs arising from these uses are therefore a legitimate charge against the school's delegated budget.

It is stressed that the letting is non-exclusive and that the School may enter and remain on the part of the premises that is subject to the letting at any time.

Charges for a Letting

The Governing Body is responsible for setting charges for the letting of the school premises. A charge will be levied which covers the following:

- **Cost of services (heating and lighting);**
- **Cost of staffing (additional security, caretaking and cleaning) – including "on-costs";**
- **Cost of administration;**
- **Cost of "wear and tear";**
- **Cost of use of school equipment (if applicable);**
- **Profit element (if appropriate).**

Where there are multiple lettings taking place at the same time, the costs for services and staffing will normally be shared between the organisations involved.

Wheatfields Primary School – Letting Policy

The specific charge levied will be reviewed annually, during the spring term, by the Wheatfields Primary School Governing Body for implementation from the beginning of the next financial year, with effect from 1 April of that year.

Current charges will be provided in advance of any letting being agreed.

VAT

Wheatfield's Primary School is VAT registered; in general the letting of rooms for non-sporting activities is exempt from VAT, whereas sports lettings are subject to VAT (although there are exemptions under certain circumstances).

Management and Administration of Lettings

The Headteacher is responsible for the management of lettings, in accordance with the Governing Body's policy. Where appropriate, the Headteacher may delegate all or part of this responsibility to other members of staff, whilst still retaining overall responsibility for the lettings process.

If the Headteacher has any concern about whether a particular request for a letting is appropriate or not, the Headteacher will consult the Chair of Governors and the Resources committee of Wheatfield's Primary School who is empowered to determine the issue on behalf of the Governing Body.

The Administrative Process

Organisations seeking to hire school premises should approach the school office who will direct the enquirer to the designated member of staff; the designated staff member will identify the requirements and clarify the facilities available. An initial Request Form LET01 should be completed at this stage of the enquiry (a copy of which is attached to this model policy).

The Governing Body has the right to refuse an application, and no letting should be regarded as "booked" until approval has been given in writing. No public announcement of any activity or function taking place should be made by the organisation concerned until the booking has been formally confirmed.

Once a letting has been approved, a Hire agreement will be drafted for approval and must be signed and agreed by both parties setting out the full details of the letting and enclosing a copy of the terms and conditions and the hire agreement. The letting should not take place until the signed agreement has been returned to the school. The person applying to hire the premises will be invoiced for the cost of the letting, in accordance with the Governing Body's current scale of charges and payment shall be made in advance.

The hirer must be a named individual and the agreement must be in their name, giving their permanent private address. This avoids any slight risk that the letting might be held to be a business tenancy, which would give the hirer security of tenure.

All lettings fees, which are received by the school, will be paid into the school's individual bank account, in order to offset the costs of services, staffing etc (which are funded from the school's delegated budget).

Income and expenditure associated with lettings will be regularly monitored to ensure that at least a "break even" situation is being achieved.

TERMS AND CONDITIONS FOR THE HIRE OF THE SCHOOL PREMISES

All terms and conditions set out below must be adhered to. The "Hirer" shall be the person making the application for a letting, and this person will be personally responsible for payment of all fees or other sums due in respect of the letting.

i. **Public Liability and Accidental Damage Insurance**

As an alternative to asking each organisation to separately arrange public liability and accidental damage insurance (see terms and conditions), it is possible for the Governing Body to take out a single policy covering all lettings, and recoup the cost of the insurance premium via the lettings fee which is charged to individual hirers. This should be discussed with the School prior to the letting being agreed.

Public Liability and Accidental Damage Insurance

Damage, Loss or Injury

EITHER:

The Governing Body has arranged appropriate public liability insurance to cover all legal liabilities for accidents resulting in injuries to persons (including all participants in the activity for which the premises are being hired), and/or loss of or damage to property, including the hired premises, arising out of the letting. A pro-rata cost of the insurance premium can/will be included in the hire charge.

OR:

The Hirer warrants to the Governing Body that it has appropriate public liability insurance to cover all its legal liabilities for accidents resulting in injuries to persons (including all participants in the activity for which the premises are being hired), and/or loss of or damage to property, including the hired premises, arising out of the letting. The minimum limit for this insurance cover is £5 million.

The Hirer must produce the appropriate certificate of insurance cover before the letting can be confirmed.

Neither the school, nor Cambridgeshire County Council will be responsible for any injury to persons or damage to property arising out of the letting of the premises.

ii. **Status of the Hirer**

Lettings will not be made to persons under the age of 18, or to any organisation or group with an unlawful or extremist background.

The hire agreement is personal to the hirer only, and nothing in it is intended to have the effect of giving exclusive possession of any part of the school to them or of creating any tenancy between the school and the hirer.

Persons may have to undergo, at the discretion of the Governing Body, a criminal record check via the Criminal Records Bureau (CRB).

If a particular letting involves contact with the school's pupils, all personnel involved must be checked against List 99 and undergo a CRB check, in accordance with legislation and DfES guidance from time to time.

These checks must be made by prior arrangement with the Headteacher, with at least half a term's notice in advance to ensure that the checks can be carried out in time.

Any adults working with the school's pupils (for example, at an after school sports club) must be appropriately qualified.

Sports coaches must follow the Cambridgeshire County Council guidelines for working in schools.

Wheatfields Primary School – Letting Policy

The Hirer acknowledges that the charges given may be increased from time to time (they will be reviewed by the Governing Body on an annual basis) and that the letting may be cancelled, provided that in each circumstance at least 28 days notice either way is given.

It is the Hirer's responsibility to notify parents in writing (where appropriate) of any changes in dates or venues at least a week in advance.

xxii. **Security**

The Governors will hire and pay for a person to be responsible for the security of the premises before, during and after the hire, and for the cleaning of the premises after its use. This cost will be included in the charge for the letting. If no suitable person can be employed, then the letting will not be allowed or will be cancelled. Only named key holders may operate the security system. Keys should not be passed to any other person without direct permission of the Governing Body of the school.

The Governing Body reserves the right of access to the premises during any letting. The Headteacher or authorised members of the Governing Body may monitor activities from time to time.

xxiv. **Conclusion of the Letting**

xxv. **Vacation of Premises**
