

As a writer we will be...

Looking at the features of different text types

Writing a suspense narrative based on the text
'The Watertower'.

Identify and use features of a balanced argument.

As a mathematician we will be...

Extending our multiplying and dividing skills.

Working with fractions, decimals and percentages
including ensuring an understanding of place value.
Developing knowledge of area, perimeter and volume.

As a scientist we will be...

Living Things and their Habitats Describe how
living things are classified into broad groups
including micro-organisms, plants and animals.

Year 5/6
Spring 1 2025

As a sports person we will be...

Learning Hockey skills, tactics and the
rules of the game.

In Gymnastics we will develop a range of
skills and incorporate these in to a routine.

As a computer user we will be...

Learning how to use spreadsheets by organising
data into columns and rows, creating our own
data and learning how to use formulas. We will
also use spreadsheets to plan an event and
answer questions. Finally, we will create charts,
and evaluate results in comparison to the
questions asked.

Researching information for our topic and
understanding how to use the internet safely.

In RE we will continue to explore the
different religions, looking at what
happens in life as well as what happens
in death.

As a musician we will be...

The children will learn about music
from all around the world by singing
and playing in various styles with
different grooves

As a geographer we will be....

Learning about physical features of Planet
Earth, such as earthquakes, volcanoes,
rainforests and oceans.

Looking at longitude,
latitude, time zones and
maps.

Learning about the water cycle.
