

Policy	Anti-Bullying Policy
Last reviewed on	November 2024
Next review date	November 2026
Approval level	Headteacher

1. Statement of Intent

We are committed to providing a caring, friendly and safe environment for all of our pupils so they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our school. If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly and effectively. We are a *TELLING* school. This means that *anyone* who knows that bullying is happening whether in or out of school is expected to tell the staff. **There will be no stigma attached to “telling appropriate tales”**

We believe that Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Pupils who are bullying need to learn different ways of behaving.

Schools have a responsibility to respond promptly and effectively to issues of bullying.

2. What Is Bullying?

Bullying is the use of deliberate hostility and aggression with the **intention** of hurting another person. It usually has a victim who is weaker and less powerful than the bully/bullies. Bullying results in an outcome which is always painful and distressing to the victim. Bullying is often, though not always, repeated over a period of time and the victim finds it physically or verbally difficult to defend themselves.

Bullying can be:

- Emotional being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures)
- Physical pushing, kicking, hitting, punching or any use of violence
- Racist racial taunts, graffiti, gestures
- Sexual unwanted physical contact or sexually abusive comments
- Homophobic because of, or focussing on the issue of sexuality
- Verbal name-calling, sarcasm, spreading rumours, teasing
- On line / cyber sending ‘hate’ text messages / emails or abusing victims via mobile phones.

There are important links to the **Behaviour Policy** - It is important to remember that when there are several pupils of equal verbal or physical strength who have a fight or quarrel, this may not be bullying. This is why it is vital to listen to all sides of the argument before taking action.

Bullying is often regarded as actions within school and school time, however the school will also take action if bullying is threatened to take place after school or if bullying is affecting a child in school. Such incidents may also be logged and parents informed.

3. Objectives of this Policy

- All governors, teaching and non-teaching staff, pupils and parents should have an understanding of what bullying is and should know what the school policy is on bullying, and what they should do if bullying arises.
- As a school we take bullying seriously, bullying will not be tolerated of or by any member of the school community. Pupils and parents should be assured that they will be supported when bullying is reported whether their child is a victim or instigator of bullying.

4. Signs and Symptoms

A child may indicate by signs or behaviour that he or she is being bullied. Adults should be aware of these possible signs (taken from Kidscape) and that they should investigate if a child:

- is frightened of walking to or from school
- doesn't want to go on the school / public bus
- begs to be driven to school
- changes their usual routine
- is unwilling to go to school / becomes school phobic
- begins truanting
- becomes withdrawn anxious, or lacking in confidence
- starts stammering
- attempts or threatens suicide or runs away
- cries themselves to sleep at night or has nightmares
- feels ill in the morning
- begins to do poorly in school work
- comes home with clothes torn or books damaged
- has possessions go "missing"
- asks for money or starts stealing money (to pay bully?)
- has dinner or other monies continually "lost"
- has unexplained cuts or bruises
- comes home starving (money / lunch has been stolen?)
- becomes aggressive, disruptive or unreasonable
- is bullying other children or siblings
- stops eating
- is frightened to say what's wrong
- gives improbable excuses for any of the above

These signs and behaviours could indicate other problems and may vary depending upon the child's maturity / ability but bullying should be considered as one of the possibilities and should be investigated.

5. Procedures

1. Children & parents should report bullying incidents to staff .
2. Members of staff will listen to the child/ren and act appropriately to these reports.
3. In all cases of perceived / actual bullying, the incidents will be recorded by staff on a my concern log / blue form.
4. Staff are made aware if and when appropriate of particular children and are asked to keep an eye upon bullies & victims.
5. An individual log may be kept of all incidents with a particular child, allowing us to identify patterns of behaviour. All members of staff should may add to this log.
6. In serious cases parents should be informed and will be asked to come in to a meeting to discuss the problem.
7. If necessary and appropriate, police will be consulted.
8. The bullying behaviour or threats of bullying must be investigated and the bullying stopped quickly.
9. An attempt will be made to help the bully (bullies) change their behaviour.

6. Outcomes

All bullying will be taken seriously and action will be taken as soon as possible to deal with it and prevent further incidents occurring.

1. The bully (bullies) will be asked to consider their past actions and possible future actions and may be asked to genuinely apologise. Other consequences & sanctions will be in line with the **Behaviour Policy**.
2. Parents of victim and perpetrator will be informed
3. In serious cases, suspension or even exclusion will be considered
4. If possible, the pupils will be reconciled
5. After the incident / incidents have been investigated and dealt with, each case will be monitored to ensure repeated bullying does not take place.

7. Prevention

In direct conjunction with the **Behaviour Policy** we aim to prevent bullying through the use of our PSHE curriculum and Circle Time. These include:

- writing a set of class and playground rules
- signing the home-school agreement or an individual behaviour contract
- writing stories or poems or drawing pictures about bullying
- reading stories about bullying or having them read to a class or assembly
- making up role-plays having discussions about bullying and why it matters
- using Kidscape resources for helping children to prevent bullying.

Through these we aim for children to develop:

- Good self awareness and self esteem
- To be able to share joys and problems with others (peers & adults)
- To feel safe and secure at all times and in all areas of the school.
- To know that to say NO is okay when uncomfortable or unhappy about behaviour or suggestions of others.
- To recognize inappropriate behaviour from others and to have opportunities to praise positive actions of others. (house points, awards assembly etc)
- To know what to do if they feel anxious or bullied.
-

This policy was compiled with reference to 'Responses to Bullying' policy and guidance for schools and colleges in Cambridgeshire.

8. Generative artificial intelligence (AI)

Artificial intelligence (AI) tools are now widespread and easy to access. Staff, pupils and parents/carers may be familiar with generative chatbots such as ChatGPT and Google Bard.

Wheatfields Primary school recognises that AI has many uses to help pupils learn, but may also have the potential to be used to bully others. For example, in the form of 'deepfakes', where AI is used to create images, audio or video hoaxes that look real. Wheatfields Primary school will treat any use of AI to bully pupils in line with our anti-bullying/behaviour policy.
