

# Core British Values

I recognise that it is unacceptable to dismiss the opinions and beliefs of others.

I know that I can talk to adults in school if I hear words or actions that make me or a friend feel sad or unhappy.

I recognise that I share responsibility for my learning with my teacher.

I take responsibility for my actions good or bad.

We all have responsibility to promote and protect the well-being of others.

I understand that school rules mirror society laws and must be respected.

I recognise that there will be consequences for my actions.

I can influence the way the school runs through the school council and by talking to adults in school.

I can influence my lessons through putting up my hand and responding.

I am free to think as I see fit.

I have the freedom to make choices that affect me but I recognise that I must take responsibility for the choices I make.

I recognise that everyone is entitled to their opinion.

I understand that everyone has the right to speak up.

I will listen to others as I would like to be listened to.
