1. Aims

This policy aims to ensure that:

- › Suitable education is arranged for pupils on roll who cannot attend school due to health needs
- › Pupils, staff and parents understand what the school is responsible for when this education is being provided by the local authority

2. Legislation and guidance

This policy reflects the requirements of the [Education Act 1996](#).

It is also based on guidance provided by our local authority.

3. Responsibilities of the school

3.1 If the school makes arrangements

Initially, the school will attempt to make arrangements to deliver suitable education for children with health needs who cannot attend school.

- › This will be the responsibility of the class teacher, SENDCo and Headteacher.
- › This may include sending work home and/or using an online platform e.g. Google Classroom
- › We will liaise with parents to discuss what will work best for the pupil and having consideration of the situation.
- › Reintegration will be planned for and options such as a phased return may be considered.

3.2 If the local authority makes arrangements

If the school can't make suitable arrangements, Cambridgeshire Local Authority will become responsible for arranging suitable education for these pupils.

- › The school, parents and the Local Authority will work together to best support the pupil.
- › This will apply when a pupil is absent for more than 15 days. This can either be consecutive days or a total of days over a period of time.
- › Further information and guidance is available on the Cambridgeshire Local Offer:
<https://www.cambridgeshire.gov.uk/residents/children-and-families/schools-learning/education-system/access-to-education-for-children-with-health-needs>

In cases where the local authority makes arrangements, the school will:

- › Work constructively with the local authority, providers, relevant agencies and parents to ensure the best outcomes for the pupil
 - › Share information with the local authority and relevant health services as required
-

- Help make sure that the provision offered to the pupil is as effective as possible and that the child can be reintegrated back into school successfully
- When reintegration is anticipated, work with the local authority to:
 - Plan for consistent provision during and after the period of education outside the school, allowing the pupil to access the same curriculum and materials that they would have used in school as far as possible
 - Enable the pupil to stay in touch with school life (e.g. through newsletters, emails, invitations to school events)
 - Create individually tailored reintegration plans for each child returning to school
 - Consider whether any reasonable adjustments need to be made

4. Monitoring arrangements

This policy will be reviewed annually by Wheatfields Governing Body. At every review, it will be approved by the full governing board.

5. Links to other policies

This policy links to the following policies:

- Accessibility plan
- Supporting pupils with medical conditions
