

As a writer we will be...

Recapping and learning Grammar and Punctuation
Studying 'The Lost Thing' and then 'A Christmas Carol'
Writing a setting description
Understanding how to write persuasively
Continuing a narrative

As a mathematician we will be...

Securing knowledge of number, including place value, and ensuring we can use written methods for all four operations (add, subtract, multiply and divide). Then we will focus on fractions.

As an artist and designer, we will be...

Studying Lowry's style and technique and develop a portrait in the style of Lowry
Designing, drawing and creating characters inspired by 'The Lost Thing'

As a computer user we will be...

Looking at appropriate communication and collaboration over the internet and being aware of staying safe online.

3D modelling using tinkercad inspired by 'The Lost Thing'

Year 5/6

Autumn 2026

Teaching Staff: Mr Richardson, Ms Jacklin and Miss Perry

As a sports person we will be...

Developing our team building skills by working together to solve various problems.

We will then use some of these skills when working in a group for Basketball and Dance.

In RE we will be.....

Studying Sikhism and exploring the concept of equality and equity.

Exploring the Gospel accounts of the variations of the Christmas Story.

As a scientist we will be...

Learning about electricity, including circuits and components. Working scientifically and learning about scientific discoveries in the 19th/20th century.

Exploring how light travels and how shadows are formed.

As a historian we will be....

Studying 'the round city' of Baghdad

As a geographer we will be...

Studying California and the affects of drought.
