

Year 4 Home Learning Project Menu

Summer 1, 2021

Choose one of the following options for your homework project. You need to be as creative as you can. This is an extended homework task. You are expected to spend time on it each week and produce an impressive final piece. The tasks are all based around the work we are doing on the **Vikings**. You can get information from books or the internet. This is due in on Friday 21st May. If you have any problems with this please speak to one of the Year 4 teaching staff.

Please email a photograph of your completed Home Learning using the class email Class9@wheatfields.cambs.sch.uk or class10@wheatfields.cambs.sch.uk

1. Make a model of a Viking farmstead.

Can you design and make your own Viking farmstead model? What will your Longhouse look like? What will you eat? How will you get this food? Do you have animals for your farmstead?

2. Create and write a Viking story book.

Can you write an exciting adventure styled story about a Viking? Can you create a front and back cover for your story? You can hand write or type your story and should illustrate your book.

3. Create a power point presentation about the Vikings

Can you create a power point to share with the class explaining and describing different information about the Vikings? Use your computing skills to make an exciting, factual and interesting presentation!

4. Viking gods and goddesses

Make a fact file or a poster about a Viking god or goddess. If you are feeling extra creative, you could make your own Viking Top Trumps game.
