Keeping children safe online - advice and support

As we move deeper into our digital age, the education, entertainment and communication potential coming from technology is continually increasing. Children use technology daily both at home and in school, the strategy is to teach them how to use it safely and responsibly.

Technology is also moving at a very fast pace so it can be hard to keep up with! Remember there is so much information available to keep you up to date so that you can minimise the online risks. Children have access to the internet on a wide range of devices: mobile phones, tablets, gaming devices (e.g. Nintendo Switch), games consoles (PlayStation, Xbox), laptops, computers, smart TVs and Alexa.

Useful websites:

- <https://www.nspcc.org.uk/keeping-children-safe/online-safety/> NSPCC website with lots of very useful information
- <https://saferinternet.org.uk/guide-and-resource/parents-and-carers> advice and resources to support you as you support your child to use the internet safely, responsibility and positively.
