

## Year 3 Homework Project - Summer 2

Choose one of the tasks below and have some fun with it. Remember this is an extended piece of work and we expect you to produce something fantastic. This homework is due in on Wednesday 7<sup>th</sup> July.

<u>Create a leaflet</u>	<u>Make a fractions poster</u>	<u>Euro 2021</u>
<p><u>In class we are creating a leaflet about Ancient Rome but you can create a leaflet about any topic that interests you.</u></p> <p><u>Use your knowledge of leaflets to help you.</u></p> <p><u>Remember to include pictures, captions and lots of colour to make it stand out.</u></p>	<p>What do you know about fractions?</p> <p>Can you make a poster showing all that you know?</p> <p>You can draw pictures and write explanations to help others to learn about them too.</p> <p>Make sure that your poster is neatly presented and is all correct.</p>	<p>Lots of us are enjoying the Euros at the moment. All of you have a country that you are supporting in class.</p> <p>We would like you to find out as much as you can about your country.</p> <p>Who are the famous players?</p> <p>What does the flag look like?</p> <p>What else can you find out about it? You can find out about the country as a whole or just their football team.</p>
