12th March 2021

Dear Parents and Carers,

We have had a great first week back together in school. It is much noisier but in a really good way! I am sure that the children and staff are looking forward to a good rest over the weekend as we seem to have hit the ground running again. All of your children have done you proud in the way they have come back to school and shown their positive attitudes to learning and kindness to others on many occasions this week.

We are very keen to receive your feedback each year to help us to focus our efforts on school improvement. We would ask that you spend a few minutes completing our survey using the link below. Most of you will be familiar with the questions but we have tried to include the lockdown periods as part of this survey. There is also space for comments which we appreciate takes more time but they are really helpful. I will share the responses with the whole school community once we have collated the responses. The survey will close on Friday 19th March. Thank you in advance and I hope you have a good weekend.
