Dear Parents/Carers,

We are very excited to launch our new Twitter page! @WheatfieldsPri

Twitter is a great way to communicate school news, photos, videos and upcoming events and we hope by using social media we will further improve communications between the school and our community. We also view this as a way of further engaging you in your children's learning more effectively.

In order for us to enter the world of social media responsibly, we request your permission to use your child's image on Twitter in the same way we currently do on the school's website or in the local press. Our Twitter page is secure and followers will have to request and be accepted by the SLT team.

If you do not wish for your child's image to be placed on Twitter, please contact the school office in writing to notify us of your wishes by Friday 7th May. If no contact is received by this date, we will assume you consent to the use of your child's image for the purposes of school's social media. Please note that any parent or carer can opt out of image use at any time past this date by contacting the school office in writing. Whilst we respect your right to decline permission for the use of your child's image, we would like you to consider your decision carefully – should you wish to discuss this further, our school doors are always open.

We would appreciate it if you could bear with us in the early stages of our social media adventure while we establish the most effective ways of tweeting and would like you to take note of the following key points:

- ✧ Only staff from the school team will be tweeting both updates and pictures
- ✧ Twitter should not be used as a means of communication between teachers and individual parents or to raise concerns– please continue to contact teachers directly through the school office or class emails
- ✧ Posts and tweets will be made on a weekly basis every Friday – there is no expectation on the minimum number of tweets made, but we promise to not bombard you with too many either
- ✧ Our Twitter policy can be found using our school website link
