CAMBRIDGESHIRE LIBRARY SERVICE SUMMER READING CHALLENGE 2019

For our whole school assembly on the morning of Monday 15 July 2019, we have booked the Cambridgeshire Library Service to support their Summer Reading Challenge.

The 2019 challenge "Space Chase" is based on 50 years since the first landing on the moon. The challenge is for the children to read 6 books, 1 per week. There is a collector's folder and stickers for children to collect and keep them reading through the summer holidays. In September the Cambridgeshire Library Service hold a celebration medal ceremony where children who have completed the challenge are invited to receive a medal and certificate.

Last year around 7,000 children took part in the challenge across the county – it's a fantastic scheme!

In addition, the Library Service will also be hosting a variety of events and activities throughout the summer to engage children. More details can be obtained Cambridgeshire Libraries website or via their facebook page.

See below for a link to their Summer Reading Challenge website and what's going on in our library:
