Kids Club

Dear Parents and Carers

We have some exciting events planned as part of **World Book Day** and our own school **Book Week**. We hope that we will be able to inspire your children into a love of life long reading for pleasure, as well as teaching them the skills of reading.

At school - Book Week Celebrations 2022 28th February – 7th March, 2022

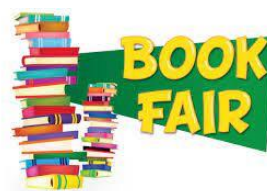

Dress up as your favourite character

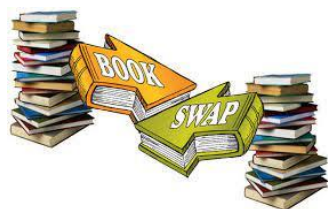

On **Thursday 3rd March**, dress up as your favourite book character. It would be great if you could also bring in a book featuring your character of choice too.

Book Fair

We are lucky enough to have the Scholastic Book Fair in school. You can visit and purchase a book with your child in the main school hall **2-7 March from 3pm to 3.30pm**

Year group Book Swap Friday 4th March

If your child wishes to take part, please allow them to bring in one book from your home that they no longer want to read. All books should be in good condition please. The children will be given the chance to swap their book with one that belongs to someone else in your year group on **Friday 4th March**.

Kids Club

At home - Book Week Celebrations
28th February – 7th March, 2022

Children are invited to be creative – choose to create at least one of the following to complete during book week.

A Reading River

Reading Rivers **show the journey of the things you are reading**. Essentially, it is a personalised list, in the shape of a river's journey, with all the things you read marked along it. Here are some examples. Please send your Reading Rivers in to share with your class.

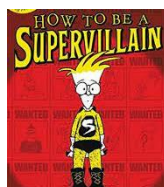

A comic strip story

Make comics and mini-books based on your topic work.

A supervillain

Give your supervillain a name, for example Trevor Vickers; International Story Stealer. Create crime scenes, newspaper articles and wanted posters for your supervillain. Write stories and choose wow words to defeat him or her.

A character personality

Bedrooms reflect a person's personality. Design one for a character in a story that you have enjoyed. Think about the things in your own bedroom; did you choose the wallpaper, duvet cover, bed? What things do you have lying about - devices, clothes, homework or old toys? Is it tidy or messy? Cut pictures out of magazines to show what it would look like and add reasons for your choices in labels.

And finally, something for the whole school...

Extreme reading competition

Children and families are invited to complete an extreme reading challenge. Where is the most extreme place that you could read? Email your class email account with photographs.

Thank you as always for supporting your child's reading journey
