

Year 2

Curriculum Plan – 1st Half Spring Term 2019

Up, Up and Away

Teaching Team:

Mr Mills and Miss Crellin

Literacy

As readers we will be sharing the book “Good night Spaceman” and looking at the plot as well as the characters and settings.

As writers we will be writing a space themed adventure story based upon “Good night Spaceman”.

As Musicians we will listen & appraise other styles of music and continue to embed the interrelated dimensions of music through games, singing and playing.

As Athletes we will be practising our catching and throwing skills.

In PSHE - we will be continuing to discuss our Learning Attitudes by using “the pit” as a visual to what happens when we struggle.

As Scientists – we will be learning about Space and what it is like to be an astronaut.

Homework we will be asking the children to complete homework that focusses on Maths questions, writing tasks and reading comprehension.

Maths

- Recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables, including recognising odd and even numbers.
- Calculate mathematical statements for multiplication and division within the multiplication tables and write them using the multiplication (\times), division (\div) and equals ($=$) signs.
- Show that multiplication of 2 numbers can be done in any order (commutative) and division of 1 number by another cannot.
- Solve problems involving multiplication and division, using materials, arrays, repeated addition, mental methods, and multiplication and division facts, including problems in contexts.

Spelling, Grammar & Punctuation

We will be continuing to work on the following areas:

- Capital letters to start a sentence.
- Capital letters for a person/place name.
- Full stops to end a sentence.
- Correct choice and consistent use of the present and past tense.
- Use question marks correctly in our writing.
- Use exclamation marks correctly in our writing.
