

## Summer 1: GREEN FINGERS

Here are the options for you to choose from for your home learning project.

Draw, paint or collage a picture of a flowering plant and label it.

Plant some seeds – what will you grow? Keep a diary of pictures, photos or write about your plants as they grow. How do they change?

Grow a cress head. Record and show us how it changes as it grows. Eat your cress. Tell us what it tastes like.

BE A SCIENTIST  
Create a plant life cycle

INVESTIGATE & find out where your favourite foods come from. Which ones are plants? What do they taste like? Where do they grow? Which part of the plant do you eat? Show us what you find out.

### The Plant Parts We Eat

GET ARTY:  
Print with vegetables or plants. Make some repeated patterns.

Research flower pictures by famous artists – recreate your favourite.

**\*By Friday 7<sup>th</sup> May, 2021,** you should complete at least one Home Learning project. Please email your projects into school on the class email [class5@wheatfields.cambs.sch.uk](mailto:class5@wheatfields.cambs.sch.uk) or [class6@wheatfields.cambs.sch.uk](mailto:class6@wheatfields.cambs.sch.uk) and you will be rewarded with house points. We hope you have fun with your learning.
