24th March 2023

Dear Parents/Carers

We have received some information about family events and activities for the Easter holidays, from the Norris Museum in St Ives. They also have a family art club for the summer term. Please see details on page 2. We also sent out posters via email and they are available to view on our website - see our "Academic Year 2022-23" tab.

Kind Regards

Tracy Urquhart - Admin Assistant

## Wheatfields Preschool

## *Learn and Grow Together*

## Kids Club

### The Easter Egg Gallery Trail

From Saturday 1<sup>st</sup> to Saturday 15<sup>th</sup> April

Search the museum for images of Easter eggs and work out which animal they belong to – unscramble the mystery word to earn some stickers – free!

### Cabinet of Curiosity Craft Packs

Launching Saturday 1<sup>st</sup> April

Create a mini cabinet of curiosity to fill with wonderful treasures, includes a mini magnifying glass, scavenger hunts, and colour in stickers – just £3.50 from the museum shop (while stocks last)

### Mini Museum Explorers: Fantastic Jurassic

Tuesday 4<sup>th</sup> April - 10:30am to 12pm

Use our interactive story mat to take a 'bucketful of dinosaurs' and Jurassic sea creatures on a tour of St Ives. Will they choose to visit the market or have a dip in the river? Explore a range of hands-on activities in the museum garden – from making dinosaur puppets to digging for real Jurassic fossils. Search the museum gallery for the dinosaurs, find them all to earn some dinosaur stickers!

£4.50 for 1x child, £8 for 2x children, £11.50 for 3x children

Aimed at children aged 2-5 years, but all ages are welcome

There must be at least one accompanying adult for every three children

Limited places - online booking essential

<https://the-norris-museum.arttickets.org.uk/>

### World Microscope Day

Thursday 13<sup>th</sup> April – 11am to 3pm

Join microscopists and their microscopes from the Milton Group of the Quekett Microscopical Club in celebrating the development and use of the microscope! Take a look through their microscopes at some interesting and unusual things...

This is part of the Norris Museum's current exhibition, From Neolithic to Now, which explores human innovation and discovery across history.

Find out more about World Microscope Day here: <https://worldmicroscopeday.org/home.html>

Free to drop in

### Art Adventure Club: Summer Term 2023 – Deep Blue Sea

Family art club aimed at 6-11 year olds and their adults

Fortnightly on term-time Saturdays, 2pm - 3:30pm (four/five sessions per term)

20th May, 10th June, 24th June, and 8th July, 2pm - 3:30pm

Adventure together under the deep blue sea, exploring and experimenting with different art materials as you go!

One family per table (tickets numbers include adults and there must be at least one adult per table)

Tickets per session: £12.00 for two at a table, £16.50 for three at a table, £20.00 for four at a table

Limited places - booking essential
