Dear Parents/Carers,

A Wheatfields family are using and have recommended the resource below that may be of interest and use for learning at home. We don't want to overwhelm you with online resources and learning activities but this looks really good.

The people behind Accelerated Reader have made an excellent online library of over 7,000 books available free - no login required - and unlike a lot of free resources being advertised at the moment these are UK versions of books. They've got over 100 on dinosaurs which will be of particular interest of your child is in year 1!!

Just search and read and it works from most devices. If anyone else has found any good resources to use, please let me know and I can share them with you all.

I hope you are all well and finding some time to enjoy the sunshine.

Kind regards

Theresa Thornton
