

January : In the dark

Extreme Reading Challenge!

Dear Parents and Carers

We are delighted to announce our January 'Extreme Reading Challenge' for all of our families to join in with (if you wish!).

We want our children and families to '**Get caught reading**', being as imaginative and creative as you can. The theme for the month of **January** is '[In The Dark](#)'.

You could be reading in bed with a torch, outside in the garden, beside a candle (with an adult supervising, of course!), in a tent, deep inside a sleeping bag, under a duvet ... the more fun and imaginative the better.

Please photograph your child reading and then either print and send the photos in to your child's class teacher or send them into the office office@wheatfields.cambs.sch.uk so that they can be forwarded on.

Thank you in advance for continuing to support your child's reading – we can't wait to see your pictures.
