This newsletter will keep you updated with events at Wheatfields Primary and it is intended to add to the information you receive on a regular basis from your child's class teacher in the weekly 'Learning Review' and termly curriculum letters.

Facebook

A huge thank you to parents that took the time to email us following the letter sent out by Governors concerning negative comments about Wheatfields and members of staff recently. It is always good when a few negative views are superseded by positive comments. Thank you for your continued support.

Year 1 New Home

Funding has been secured to fix the leaking roof over the year 1 unit. Year 1 will be using the mobile that belonged to Burleigh Hill Preschool while the work is taking space. The repair to the roof is expected to last 4 – 6 weeks. On the first day next term, your children can line up in their usual spots on the KS1 playground. The children will need collecting from the preschool mobile. Please stand back from the ramp so that we can look for the known adults before we let the children go. Thank you.

School Meals

We often hear how much the children enjoy their school meals that are freshly prepared on a daily basis. Due to the cost of everything increasing we will be charging £2.20 for school meals from 1st September 2019. Thank you for your continued support. Should your family circumstances have changed recently and mean that you might meet the requirements for Pupil Premium and free school meals, please email the office@ address for the attention of Mrs. Verney-Davies.

Young Carers

The first ever Wheatfields Young Carers afterschool group was launched in June, and what a huge success it was. Lead by Mrs Cutbush and Mrs Maloney the children took part in a range of activities, in the small hall, from arts and crafts to reading and board games, they also enjoyed a refreshing drink and snack.

The, invitation only, club is designed to allow the schools Young Carers time to be children and have a break from the caring responsibilities they have at home for a while.

If you think that your child might be a Young Carer or have any questions please ask at the school office to speak to Mrs Cutbush or look on the school website for more information.

Thank you for supporting our summer fair and Open Evening this year. I don't have a grand total for you yet but I am very pleased to say that all of the money raised by PAWS this year will be spent on 6 Fire HD tablets for each classroom in KS2 to support our new accelerated reader programme. I am looking to purchase 48 tablets eventually so if anyone knows someone that is in this line of work that might be able to help us, we would love to hear from you!!
