

RISK MANAGEMENT ASSESSMENT

Educational Setting	Wheatfields Primary School (WPS)
Activity / Task	COVID-19 Risk Management Assessment (Educational Settings)
Completed by & Date	<p>Stuart Wood, Health, Safety & Wellbeing Business Partner 13th May 2020</p> <p>Emma Verney-Davies 17th July 2020 for Full September Opening 2020</p> <p>Theresa Thornton 6th January 2021 for National Lockdown 3</p> <p>SLT 23rd February 2021 for Schol Re-opening 8th March</p>
Review Date	23rd February 2021 To be read in conjunction with the RMP dated May 2020 – December 31st 2020 which was reviewed on 23rd February 2021.

Model Risk Assessment

<p>Summary* See Specific Year Group Consideration Document for further details</p>	<p>Risk Management Plan completed in line with whole school re-opening in September.</p> <p>The School timetable has been revised to facilitate staggered starts, and remains a full time offer for all pupils.</p> <p>14.09.20 Updates to RMP include cleaning, quarantine and rotation protocols for equipment between home/school and bubbles; including improved clarification of items that can be taken in and out of school. Peripatetic Music teaching protocols and re-opening of Kids Club before and after school considerations and assessments are now included. Waiting zones for pick up and drop off updated, and parents encouraged to wear face coverings as per government guidance to ensure the safety of all at busier times on and around the school site. Play areas increased for KS2 at play and lunchtimes to allow for increased distancing between pupils and bubbles. Test and Trace guidance from LA shared with staff, flow diagrams printed and displayed in school for ease of access in determining protocol. Grid from LA Quick Guide for parents has been sent home.</p> <p>28.09.20 School operational changes including refining play areas now that weather is becoming wetter, reminders of stringent social distancing between bubbles for 1:1/support/PPA staff, library routines. Visitors to school site such as social care, school nurse and LA officials can take place with HT permission, providing social distancing and stringent cleaning can take place. Also included is requirement for parents/carers and staff to wear face coverings at pick up and drop off times in line with Gov Face, Space & Hands campaign due to increased COVID numbers nationwide.</p> <p>05.10.20 Seating plans now saved in central location in school in line with information request from PHE should there be a positive case in school. External therapeutic services to be reinstated with additional risk assessment to support pupils' emotional health and wellbeing.</p> <p>12.10.20 Revisions to the practical delivery of therapeutic and inclusion services in school. Addition of children moving through building and around playground whilst maintaining bubbles. Ventilation considerations as weather gets colder.</p> <p>19.10.20 DfE no longer need to be involved for a positive case.</p> <p>9.11.2020 Individual Risk Assessments needed to be completed for vulnerable Staff. No staff are required to work at home because they are Clinically Extremely Vulnerable.</p> <p>23.02.2021 – Risk Management reviewed in preparation for schools re-opening on 8th March.</p>
<p>Summary* See Specific Year Group Consideration Document for</p>	<p>Risk Management Plan completed in line with whole school re-opening in September.</p> <p>The School timetable has been revised to facilitate staggered starts, and remains a full time offer for all pupils.</p>

further details	
	<p>16.11.2020 Definition of close contact shared with staff as a reminder to remain vigilant along with the information below.</p> <p>23.11.2020 Christmas arrangements added below with regards to quarantine of gifts and Christmas cards. A sign requesting visitors to reception to wear a mask has been displayed.</p> <p>30.11.2020 First Aider (JW) is no longer required to enter the KS2 dining hall when year 3 pupils and 2 members of staff are in there.</p> <p>7.12.2020 First Aider (JW) is no longer required to enter the KS2 dining hall when year 3 pupils and 3 members of staff are in there.</p> <ul style="list-style-type: none"> • Parents must be responsible for giving the school the information re test outcomes as requested. The school is reliant on the parents communicating with the school. If the children do come to reception to be 'cleared' it creates a potential hot spot and parents will become reliant on us saying yes or no they can return to school when it is their responsibility to make sure it is safe to return, therefore pupils will go to their classroom entrance upon return from a Covid related absence. • Information has been sent to parents stating that a child cannot return to school unless the test result information has been received by the school. Where a teacher is concerned for any reason, the child can be sent to wait at Reception or the Isolation Room until the situation has been investigated. • Parents have been sent another reminder about the fact that a negative test result is received using the covid@ email <u>BEFORE</u> the child can return to school. • CM will email teachers as soon as she has received the information. <p>6.1.2021 Risk assessments and other protective/preventative measures are in place for :- clinically extremely vulnerable staff (distinctive from pregnant workers). 1CEV member of staff at home and individual risk assessment in place, agreed with reviews as appropriate.</p> <p>clinically extremely vulnerable pupils (even if currently you do not have any). List circulated in November confirms that WPS has no CEV pupils. Pupils with health needs are on our welfare check list. Regular contact with parents.</p> <p>any staff who invoke Section 44 (including those who do not attend work). RMP circulated and KiT calls will be made. Advice sought from EPM and meetings with Member of staff to discuss concerns.</p>

	<p>Supply staff/sports coaches/Italian teacher all receive RMP and are expected to abide by it. Checks in place to support as necessary.</p> <p>25.1.2021 RA in place for rapid Testing for school and Nursery employees and must be read alongside this document and the SLAP. PSS will also be tested as part of the school team.</p> <p>23.2.2021 – Reviewed whole school action plan, RMP & SLAP. All assessments to replace in place with amendments highlighted in yellow.</p>
--	--

Model Risk Assessment

Even if you are in the same bubble, close contact is defined as :-

A contact is a person who has been close to someone who has tested positive for COVID-19. You can be a contact any time from 2 days before the person who tested positive developed their symptoms (or, if they did not have any symptoms, from 2 days before the date their positive test was taken), and up to 10 days after, as this is when they can pass the infection on to others. A risk assessment may be undertaken to determine this, but a contact can be:

- ✓ Anyone who lives in the same household as another person who has COVID-19 symptoms or has tested positive for COVID-19
- ✓ Anyone who has had any of the following types of contact with someone who has tested positive for COVID-19:
- ✓ Face-to-face contact including being coughed on or having a face-to-face conversation within one metre
- ✓ Been within one metre for one minute or longer without face-to-face contact
- ✓ Been within 2 metres of someone for more than 15 minutes (either as a one-off contact, or added up together over one day)
- ✓ Travelled in the same vehicle or a plane

Therefore to reduce risk we must make sure that:-

- ✓ There is thorough handwashing and or sanitising by staff and children
- ✓ Staff within the same bubble remain 2m apart at all times where possible
- ✓ Meetings between staff lasting longer than 15 minutes must be held over zoom if 2 m+ social distancing cannot be achieved and there is no ventilation
- ✓ Clean where you've been
- ✓ Promote 'catch it, bin it, kill it' and 'hands, face, space'

Good ventilation as we are already aware decreases the risk of transmission of the virus. Therefore we must continue to:-

- ✓ Keep doors open
- ✓ Have a minimum of 1 window open during lesson times (5cm opening is fine)
- ✓ Open all windows during break time and lunchtime when the pupils and staff are not in the classroom to increase the ventilation. Teachers can give children responsibility for this at the end of eating in the classrooms, end of before break session.

School meals

KS2 serving hatch – children and adults must stand behind the taped line to remain at a 2m distance.

Dishwasher & kitchen areas. Make sure that:-

- ✓ Extra time is taken to wash hands, wipe down dishwasher handles and fridge handles – Clean where you've been
- ✓ Extra time is taken for staff to rinse their own items and load the dishwasher themselves. Dirty items must not be left on the kitchen side. The rota in place to put the dishwasher on and unload it.
- ✓ 1 person only is in the kitchen area

RISK MANAGEMENT ASSESSMENT

This has been reviewed on 23.02.21 in accordance with new guidance realised 22.2.21 in preperation for school re-opening on 8th March.

What are the hazards?	Who might be harmed and how?	What are you doing already?	What further action is necessary?	Action by whom?	Action by when?	Done
Social Distancing in school and teachers moving between bubbles – Updated guidance 28.08.20	Chn & Staff	<p>Total space available for teaching activities reviewed. Guidance indicates bubbles of 1 year group can be used. This supports use of open plan classrooms and shared toilet facilities across year groups.</p> <p>Adults to maintain 2m social distance from one another, where possible. No expectation that children within bubbles will do this.</p> <p>PE only to be taught outdoors where possible to mitigate risk of transmission through heavy breathing in enclosed spaces. When using indoor spaces ventilation prceedures must be in place.</p> <p>Reminders that classroom tables to face forwards and not to be grouped together to prevent face to face contact, and at least one window should be open at all times during the day. In colder weather, consideration to be given to ventilation points using doors during the day where children are not present Keep an eye on minimum temperature. KS2 Seating Plans saved in central location for PHE track and trace in event of positive case.</p>	<p>January 2021</p> <p>School is open to CW and V pupils only. Children and staff organised into year group bubbles with 8 – 13 pupils in each bubble. Reduced staff numbers each day to reduce risk.</p> <p>School days has reverted back to 08:40 – 15:00 for all pupils attending. School closing at 16:30.</p> <p>No Kids Club or clubs at present – to be reviewed.</p> <p>8th March - School now re-opening to all pupils. Reverting back to staggered timings. Refer to SLAP for timtabling.</p>	SLT	Ongoing	✓

RISK MANAGEMENT ASSESSMENT

What are the hazards?	Who might be harmed and how?	What are you doing already?	What further action is necessary?	Action by whom?	Action by when?	Done
Peripatetic teaching staff in the building, contact with children and the music space. Other settings	Children / Staff / wider community	<p>Internal Music and Italian sessions to continue with a limit on activities such as singing and chanting, only taking place in larger or outdoor spaces. Music and Italian teachers to maintain 2m distance from pupils. Italian only for KS2 pupils to mitigate risk of breaking 2m distancing with younger pupils and reduce movement between bubbles.</p> <p>Individual teacher Risk assessment not required however Peri's advised to follow guidance on music from DfE in terms of distancing. Group tuition can go ahead but bubbles not to be mixed. Peri teachers to keep updated records of schools and children they have had contact with to ensure tracing of contacts is easier in light of a positive case and advice from the HPT. Both parties have a responsibility to share where there has been a case within a bubble they work in.</p>	<p>January 2021 Music teachers are not attending setting</p> <p>March 2021- 1:1 Music sessions, PE Coaches and Italian lessons can resume from 8th March.</p>	SLT / Teachers	<p>Oct 2020</p> <p>March 2021</p>	✓
		Supply staff/sports coaches/Italian teacher all receive RMP and are expected to abide by it. Checks in place to support as necessary.				✓

RISK MANAGEMENT ASSESSMENT

Inclusion Workers - groups	Staff and pupils	<p>Children requiring intimate care / medical needs / 1:1 support, designated staff will be assigned to these children. Some adults in these circumstances may move between bubbles.</p> <p>Inclusion work needs to begin with individual/small groups to support SEMH needs and external agency visits for some children. All staff to follow strict social distancing and cleaning as per supply/ music/peri teachers. Doors to remain open for ventilation and face to face limited.</p>	Supply staff/sports coaches/Italian teacher all receive RMP and are expected to abide by it. Checks in place to support as necessary.	Admin/SLT	Sept 2020 & ongoing	✓
What are the hazards?	Who might be harmed and how?	What are you doing already?	What further action is necessary?	Action by whom?	Action by when?	Done

RISK MANAGEMENT ASSESSMENT

Blue Smile Play Therapy	Staff, pupils, parents	Blue Smile 1:1 sessions to be reinstated in school, aligning their risk assessment with the school. Therapy (Blue) Room external door to remain open and children to have their own 'pack' of resources. Additional cleaning of space to take place by Therapist.	<p>January 2021 Blue Smile has removed to remote working and 1-1 pastoral calls</p> <p>March 2021 – Blue Smile can resume within the intervention room.</p>	SLT/BS	Sept 2020	✓
LSA support	Staff, pupils, parents	Needs of 1:1 pupils assessed to ensure the risk of transmission to other bubbles by LSAs is limited, without compromising the needs of the children as per guidance. LSAs working 1:1 and also in other bubbles will need to be extra vigilant of their need to socially distance.		LSA/AHT	Sept 2020	✓

RISK MANAGEMENT ASSESSMENT

PPA Cover	Staff, pupils, parents	PPA will need to be reviewed to ensure as little movement between bubbles as possible whilst still providing statutory non-contact time and support for pupils in class. PPA cover to be extra vigilant of their need to socially distance.		LSA/SLT	Sept 2020	✓
What are the hazards?	Who might be harmed and how?	What are you doing already?	What further action is necessary?	Action by whom?	Action by when?	Done
Kids Club staff, pupils and families	Staff, pupils, parents	Kids Club Setting will open on 14 th September to provide a week of school provision before this begins and make adjustments as necessary. Kids Club to remain consistent in numbers to provide wraparound care.	<p>Lockdown 3 KC closed until further notice due to 2 pupils attending that require it.</p> <p>Kids Club to re-open in accordance with new guidance. Parents can access these provision on;</p> <ul style="list-style-type: none"> ✓ The use of the provision is reasonably necessary to support them to work, seek work, undertake education or training, attend a medical appointment or address a medical need or attend a support group 	MK/SLT	<p>Sept 2020</p> <p>March 2021</p>	✓

RISK MANAGEMENT ASSESSMENT

Staff absence cover	Staff, pupils, parents	<p>Staffing carefully managed to ensure cover can be provided if needs be. If absence is COVID related, follow procedure regarding track and trace / isolation.</p> <p>Detail specific toilets and routes for children on Action Plan & signage</p> <p>Ensure adequate signage for staff.</p> <p>Consider the Manual Handling implications of this activity and how this will be achieved.</p> <p>Staff are able to enter other bubbles but reminders need to be given around 2m distancing and not touching anything within those bubbles.</p>	The School level Action Plan and Risk Management Plan is shared and agreed by all supply teachers, Italian teacher, music teachers and Sports Coaches.	SLT	Sept 2020	✓
What are the hazards?	Who might be harmed and how?	What are you doing already?	What further action is necessary?	Action by whom?	Action by when?	Done
Lunchtime Club and Staffing - 1:1 required for some learners	Staff, pupils, parents	Lunchtime club to remain closed for at least first half term to minimise risk of bubble transmission. This will be reviewed in Autumn 2.	<p>Lunchtime Club remains Closed Jan 2021</p> <p>Lunchtime Club remains Closed March 2021</p>	SLT	<p>Sept 2020</p> <p>March 2021</p>	✓

RISK MANAGEMENT ASSESSMENT

Kids Club Reopening 14.09.20 – Mixing of bubbles	Staff, pupils, parents	Kids Club closed over the Summer holidays as not enough uptake from families. Attendees registered and consistent numbers of children on consistent days in place to prevent further mixing. Risk Assessment of setting produced and shared with families.		MK/SLT	Sept 2020	√
Staff Absence – risk of bubble closure	Staff, pupils, parents	Teachers and LSAs deployed to specific bubbles and classes to support cover arrangements. DfE guidance states that cover supervision can be undertaken by LSA if supervised by a teacher (in the opposite class).		SLT	Sept 2020	√
Lockdown	Staff, pupils, parents	Refer to the WPS Remote Learning Policy September 2020 for what the school will do to provide education in the event of school closure.		SLT	Jan 2020	√
What are the hazards?	Who might be harmed and how?	What are you doing already?	What further action is necessary?	Action by whom?	Action by when?	Done

RISK MANAGEMENT ASSESSMENT

Toilets accessibility	Staff, pupils, parents	<p>All Year Groups have access to their own set of toilets (see School Level Action plan for details)</p> <p>Staff Toilets accessible, separate toilets available for admin, and disabled toilet for intimate care needs, with cleaning products available for after use.</p> <p>Class furniture will need to be moved or placed in a position to reduce pinch points, ensuring that free movement is possible.</p>		SLT	Sept 2020	v

General staff and pupil advice on limiting the spread of coronavirus in the Educational Setting

Government advice is clear PPE, including facemasks should be taken into account where employees could be put at risk. The use of such PPE does not replace or reduce the need to follow the government guidance in relation to hygiene practices

Frequently clean and disinfect objects and surfaces that are touched regularly, using your recommended cleaning products.

- Wash your hands with soap and water often – do this for at least 20 seconds.
- Use hand sanitiser gel if soap and water are not available.
- Staff and Pupils should wash their hands as soon as they get to school and when they arrive home, after they blow their nose, cough or sneeze, before they eat or handle food.
- Cover mouth and nose with a tissue or a sleeve (not hands) when you cough or sneeze.
- Put used tissues in the bin immediately and wash your hands afterwards. Handwashing techniques advice can be found [here](#)
