

Year 1 and 2 home learning menu Autumn 1

Please pick one of the following activities to complete and send into school by
Monday 10th October.

English - Create a fact file about one of the planets in the solar system.

Year 1: Remember to use capital letters, finger spaces and full stops.

Year 2: Try to use lots of adjectives to describe and add detail.

Maths - We have been learning about place value.

Year 1: build and draw numbers to 20

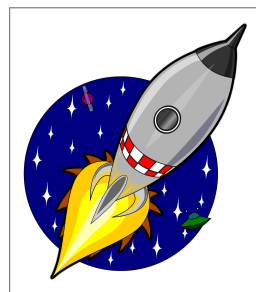

Year 2: using tens and ones show different numbers up to 100

Science - We have been finding out about different materials. Gather a range of materials and sort them in recyclable and non-recyclable.

Design & Technology - design and build your own rocket ship using recyclable materials.
