

Dear Class 2,

Hello, Miss Whittle here and I am writing to introduce myself to you all before you start school in September. I'm sure a lot of you have already watched the new teacher videos and hopefully are excited for all the new adventures we will have in Class 2.

At school some of my favourite things to do are;

- Play with numberblocks
- Build new inventions and vehicles with the loose parts play
- I like to make recipes in the mud kitchen
- I like dressing up when I teach phonics

In my spare time I enjoy spending time with my friends & family (including my dog Barney), going for walks in the countryside, playing board games, taking part in quizzes and visiting the zoo. My favourite animal is a panda, I wonder what all of your favourite animals are. I like to watch movies at home and pretend my living room is a cinema! I try to make my own ice cream sundaes and yummy pick and mix when we have movie fun nights in our house.

I am very excited to start lots of new adventures with you in September and to get to know you all. I can't wait to hear all about what you have been doing over the summer holidays and for you to be able to share lots of amazing facts about how special you all are. I bet you have got some pretty amazing stories to share with me

😊

Although things may look slightly different when we return in September I know we will have a great year and make it the best yet! With lots of laughter and smiles I know we are going to have lots of fun learning together. I look forward to seeing you all and hope you have a great holiday.

From,

Miss Whittle
