5th January 2022

Good Morning Parents / Carers,

Happy New Year & welcome back to the Spring Term! I hope you managed to have a restful break of some sort over the Christmas holiday, it is lovely to see the children back in school and raring to go!

Please find attached a letter from Jonathon Lewis and Jyoti Atri, Service Director of Education & Director of Public Health for Cambridgeshire and Peterborough, regarding the most recent guidance around how we are managing COVID in school. Also attached is a useful flow diagram, which explains what to do in the event you suspect or have a confirmed case in your household. We continue to monitor the covid@wheatfields.cambs.sch.uk email account daily and ask that any correspondence regarding suspected or confirmed cases is sent to this address to ensure it is picked up quickly.

As Mr Lewis says in his letter, we are incredibly appreciative of our parents and the whole School community for your support throughout the pandemic. You have been proactive in seeking PCR tests for your children when required and this has helped to identify cases sooner to help prevent the spread of COVID-19. We will continue to contact parents in the usual way if your child becomes unwell, and are here to answer any questions you may have to the best of our abilities. Thank you for your continued cooperation.

Kind Regards,

Emma Verney-Davies

Deputy Headteacher
Wheatfields Primary School
