Dear Parents/Carers,

Friday 12<sup>th</sup> June 2020

As you are aware the return of year 6 pupils has been under review for a possible start date of week beginning 15<sup>th</sup> June. This letter is to inform you that the decision has been made that year 6 are unable to return at this moment in time because it is not safe for them to do so.

The information schools receive is ever-changing and it is important to say that this is a decision made by school and the governing body based on all of the facts at this time. Be assured that should the situation change, the risk management plan will be reviewed in order to look at capacity again. Two extraordinary governor meetings have already taken place during lockdown and there is a third planned, in addition to our scheduled governor meetings.

The focus going forwards for Governors, SLT and year 6 teachers will be to continue to:-

- work on transition to secondary school
- provide high quality home learning
- monitor engagement from all pupils
- provide support for parents and pupils

We are planning opportunities for the end of year 6 and will be in touch regarding these in the next few weeks. As ever, you must do what is right and healthy for you and your family.

Kind regards,

**Theresa Thornton**  
 Headteacher

**Lisa Ling** Co-Chair of Governors

**Andy Moffat** Co-Chair of governors
