27th March 2023

Dear Parents /Carers

Sponsored Event

This year's sponsored challenge, in support of PAWS, will take place during the first week back at school after Easter. This year, our aim is to try to raise as much money as possible so that we can buy microphones for use in the hall during productions. In order to do this, the children will taking part in a sponsored event. This year, the children have chosen which event they would like to take part in from a list of six. The whole school will be doing the sponsored events at the same time. We know the children really enjoy completing their activities with children from other classes and year groups. Your child's teacher will tell you which activity your child has chosen.

**Please can all sponsor money be returned to school by
Friday 5th May.**

The PAWS Committee work tirelessly throughout the year to provide those exciting 'extras' that enhance the learning opportunities for our children. It is our hope that you will continue to support us in our fund-raising efforts, which this year will go towards making our school productions even more exciting and enabling the children to feel confident on stage.

Last year we raised a fantastic amount of money to buy new lights for the school. This year we would like to raise even more!

Thank you for your support.

Mrs C Probert
