

## Year 1 home learning menu – due back by 14<sup>th</sup> May

We would like you to pick one item from the menu to complete at home. Once complete take a photo or video and send it to your class email. We will print the photos in school and children will share their creations with the rest of the class.

### History - Kings and Queens

Research and find out about a famous King or Queen.  
Create a fact file to share what you found out.

When did they rule?

What are they famous for?

What did they look like?

### Art/D&T - sewing

We will be learning how to sew as part of our crown jewels project. Design, decorate and sew your own flag. You can use any material you like the brighter the better.

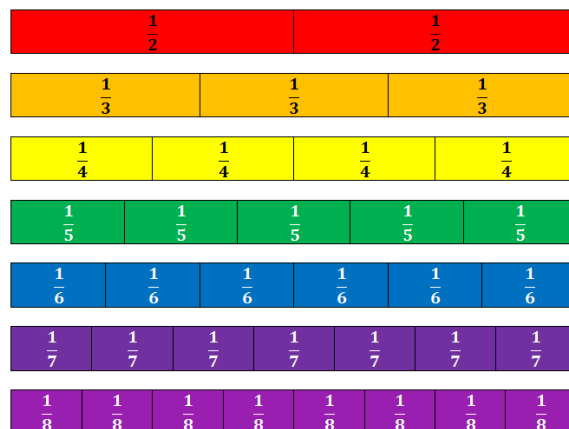

### Geography - The United Kingdom

Send a postcard to somebody you've not seen for a while and ask them to send you one back. See if you can find where they live on a map. How far will your postcard travel?

### Maths - fractions

We will be finding out about halves and quarters. Use different things from your house to share into halves and quarters. You can draw or take photos of what you find out.
