

Autumn term homework project

This term you need to produce a homework linked to our history topic of Industrial Revolution. You have different options from which to choose. This is an extended homework task. You are expected to spend time on it each week and produce an impressive final piece. You can take a picture of this and send it to us in school via class email. **This homework is due in on Monday 31st October – so you have plenty of time to make it the best you can!**

Mrs Khan-Blacker for Sycamore Class – SycamoreClass@wheatfields.cambs.sch.uk

Mr Sanderson for Willow Class – WillowClass@wheatfields.cambs.sch.uk

Create a poster with the positive and negative things about the Industrial Revolution.

Design a poster which includes details about the Industrial Revolution. This will need to be researched properly and be well presented. It should have reasons why it was a positive thing and also a negative thing. This should not be just a list but should include plenty of details. You might also want to include pictures.

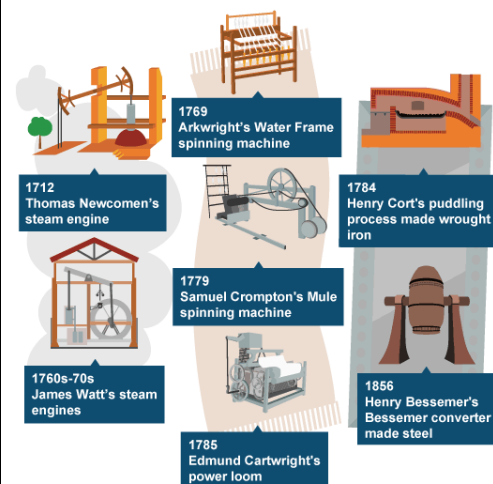

Write a diary entry of how you would feel if you worked in a factory/mine during the industrial revolution.

AND

Write 5 questions you might ask to a factory owner if you were a factory inspector.

Make a collage of the changes that happened between the 18th century and the 21st century. Include pictures, diagrams, facts etc. to show the changes in industry, farming, towns, countryside and what this meant for the people at the time.

Name and describe 8 inventions created during the Industrial Revolution.

Create your own invention that would have an impact on the world today as the above did during the Industrial Revolution. Create a design and produce a model of your invention

Write a brochure to guide tourists around an industrial town.
