Dear Parents/Carers,

Please see below details regarding National Bike Week which might be of interest to you.

National Bike week 6-14th June

Cycling has been a great release for many families during the pandemic and we hope you'll continue to enjoy cycling with the family and celebrate by taking part in the

Bike Week festivities between 6-14 June. It's your chance to celebrate all that's great about cycling.

The latest Government rules say although we have to maintain our social distancing and be at home where we can, unlimited exercise is now permitted.

To help keep families active during this time Cambridgeshire Road Safety Officers are promoting Cycling UK's free Bike Week resource pack with indoor and outdoor activities you can do as a family. From cooking to colouring, to bike challenges, it's got it all.
