

CLOCKWORK by Phillip Pullman

Children should choose at least 1 project from the menu and complete it by **Friday 4th December**. Please email a photograph of your completed Home Learning using the class email Class11@wheatfields.cambs.sch.uk or class12@wheatfields.cambs.sch.uk

Clockwork

Design a figure/statue to feature on the Great Tower of Glockenheim

You must draw your design and explain why you have chosen that design for the clock.

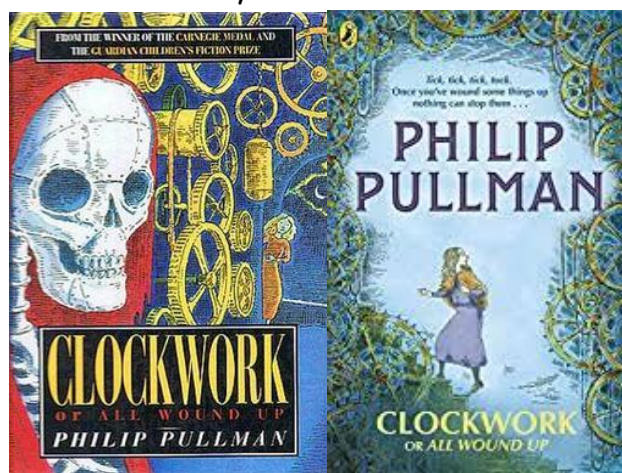

Design the perfect clockwork friend. Draw (or make) a model of the perfect friend. Write instructions for how to look after them and why they are made out of the things they are made of!

Research the world's most famous clocks. Choose one and write about what makes them famous, find out interesting facts and the history of the clock.

Write your own 'Fritz Style' scary story. Your story must include clocks!

Make sure you are reading every day!

Regularly visit: TTRockstars, Readwriter and Mathletics!
