The Wildlife Trust for Beds, Cambs and Northants presents:

# Go Wild With...

## The Wonders of Wetland Wildlife

### A family fun day in the Great Fen

Healthy wetlands provide shelter, nurseries and breeding grounds for 40% of our planet's species! Follow our trail around the nature reserve to discover some of the key wetland species that can be found in the Great Fen. From bats to bitterns, common frogs to crickets, marsh harriers to mosquitoes, it really is a wonderful wetland world. Then join in with our various nature-based activities and creative crafts.

- **Wednesday 16<sup>th</sup> February, arrive any time between 10am – 3pm. We recommend a min 1.5 hours on site.**
- **Booking is essential. Visit our website to book your place.**
- **£5 Wildlife Trust BCN members, £7.50 non-members. Adults and babes-in-arms free.**
