

Early Intervention Family Worker Summer Holiday Support

Parent Carer Support

While your link Family Worker is off over the Summer holidays we are offering parents and carers the opportunity to speak to a friendly professional from the Early Intervention Family Worker team about any child aged 4 to 11.

1. You can ask a question, request support around your child or young person's behaviour, get help with new routines, boundaries, or even just talk through how you're managing parenting over the summer while your children are off school.
2. We will offer advice, support, help with signposting or offer a listening ear to you about your parenting experiences

You can email for support at any time. Please send us a message with your phone number, name and location with the subject 'Parent Carer Support' and someone from the team will get in touch with you within 5 working days.
