Tuesday 24th March 2020

Dear Parents and Carers,

I'd like to say thank you to you all for doing your best to support us by keeping children at home where possible. As the Government has said, social distancing is the best way to prevent the virus from spreading, so keeping your children at home is a good way to do your bit to protect others. On behalf of all the staff, I'd also like to thank you for the messages of appreciation that you have sent. Staff will continue to do what they can to support your children whilst they are at home. We now have a staff of 5 maximum in school during each day including 1 admin member of staff. Please bear with us and we will get back to you as soon as we can.

Today I have been looking into the provision of free school meals for those who are eligible. So far we have made a packed lunch for collection from school but there has been a limited take up therefore it is likely that from Monday 30th March the school will move to food vouchers. I am trying to find out information to help parents to access the voucher scheme but it is unclear. I will be in touch as soon as I have more details.

You have class email accounts set up now for contact with your child's teacher but if you do have any general questions, please email using office@wheatfields.cambs.sch.uk or admin@wheatfields.cambs.sch.uk or reception@wheatfields.cambs.sch.uk address and they will be passed on as appropriate.

Please do as much or as little as you can with your children and look after yourselves too during these strange times.

Keep safe!

Theresa Thornton
Headteacher
